

Grass Cutting – Fulford Parish Council

The Parish Council has now taken over responsibility from the County Council for some of the grass cutting in the parish. The County Council will continue to cut grass verges mainly outside of the main settlements and of course the Borough Council and Stafford and Rural Homes retain responsibility for some other areas of the parish.

Details of the areas the Parish Council has now taken from the County Council are set out in the table below and maps showing precisely the areas outlined are available to view at the parish office.
